

Manufacturers Errors & Omissions

TARGET CLASSES:

Manufacturers errors & omissions (E&O) liability is available for all classes of business that fall within Selective's manufacturing segment available to manufacturing risks with general liability coverage, in place with Selective.

PRODUCT AND COVERAGE HIGHLIGHTS

Manufacturers E&O liability is designed to help provide coverage for monetary damages caused by a wrongful act, including error or omission, misstatement, misleading statement, neglect, or breach of duty arising out of the manufacturing of a product, or the work provided or performed for others by the manufacturer. The coverage insures financial or economic losses as a result of an error or omission in the manufacturing of the insured's product.

Highlights

- Claims-made coverage form
- Deductibles available range from \$1,000 to \$100,000
- Limits available range from \$25,000 per claim/\$50,000 aggregate to \$1 million per claim/\$3 million aggregate
- Premiums starting as low as \$500

In addition to the enhanced property coverage available under our Summit ElitePac® and commercial output program products, as well as the superior protection available with product recall, Selective's manufacturers E&O coverage enables you to offer a package solution that helps protect all aspects of a manufacturer's business.
